

SEBI-Sponsored Financial Education Workshop Series at Department of Business Administration and Research, Shri Sant Gajanan Maharaj College of Engineering, Shegaon

Securities Exchange Board of India (SEBI), a statutory body of Government of India, has initiated nation-wide financial education workshops through its Investor Awareness Division in order to fulfill its first objective of investors' protection. Accordingly, SEBI empanelled Resource Persons from different States of our country and subsequently trained them at its own cost at the National Institute of Securities Market (NISM), Mumbai. Dr. H. M. Jha "Bidyarthi", Professor and Head, Department of Business Administration and Research, Shri Sant Gajanan Maharaj College of Engineering, Shegaon is one amongst 170 odd resource persons empanelled by SEBI on the national basis. Names with full address, phones, email IDs of all these empanelled resource persons are displayed on the SEBI website

<http://investor.sebi.gov.in> for the information of general public. Dr. H. M. Jha "Bidyarthi" has thus started conducting financial education workshops in his college for different sections of the society namely school children, young investors i.e. college going students, home makers, middle income group, executives and retired or about to retire persons. These workshops are fully sponsored by SEBI which bears its entire cost

including remuneration, conveyance, LCD expenses and free distribution of SEBI published kits to the participants. Each workshop is of two to three hours duration and its purpose is to create awareness amongst the participants about their money matters, financial planning and budgeting, savings and investments, inflation and ponzi schemes, insurance and other financial instruments, and other life skills so that they may balance their personal finance and achieve financial goals of their life by developing saving habits and by choosing the right financial products available in the market to convert their savings

into investments. We work for money instead make money to work for us is the basic mantra of these workshops. Dr. Jha "Bidyarthi" has so far conducted six such workshops during the months of September and October and another five workshops dully approved by SEBI are to follow in the months of November - December. These workshops are being conducted by this college through Dr. Jha "Bidyarthi" under its community services and development activity. The details of

these workshops can be seen in the following table.
